12901 NORTH 30TH STREET
TAMPA, FLORIDA 33612

DEADLINE? CHECK AND RESERVATION SLIP MUST BE RECEIVED BY MAY 27TH. FOR INFO CALL 813/974-2399 OR 974-2289.

Looking back - The last SIS meeting was held at The Poynter Institute in St. Petersburg. A beautiful lunch was provided by librarian Jo Cates along with an excellent presentation on newspaper data bases.

NAME-----

ORGANIZATION-----

NUMBER ATTENDING-----

DIRECTIONS

(1) Take I-275 to Fowler Ave. exit, proceed East (if approaching on I-275 from the North, you may take the Fletcher Ave. exit & note your changes on the map)

MAP A

(2) After passing the University Malls on your left, make a left turn (north) at 30th St. (two left turn lanes, best to use the right one). This street (30th) is newly paved & newly named also Bruce Downs Blvd.

MAP A

(3) There are two parking lots that offer the best chance for a parking space at this time. They are starred and cross-hatched on both maps. (1) is behind the new Cancer Center (turn at Oak, then Magnolia and (2) is across W. Holly from the Medical Ctr. and behind the Blood Bank. You may try others, but avoid "Reserve Spaces".

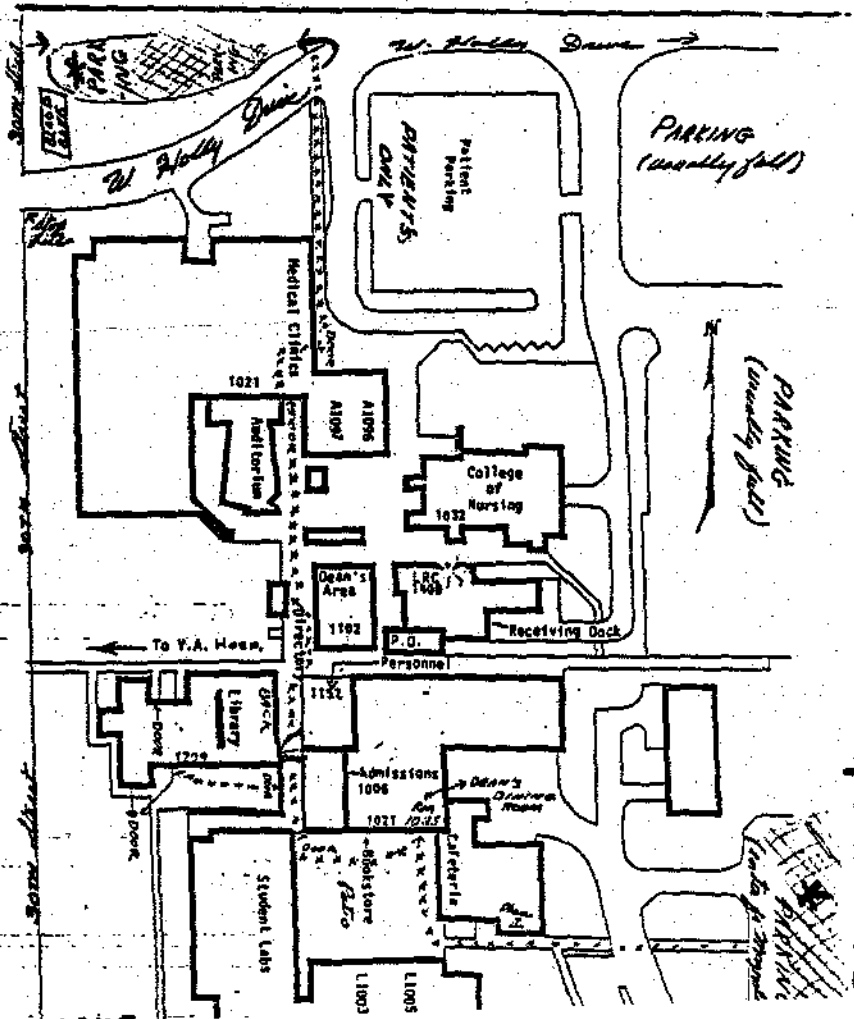

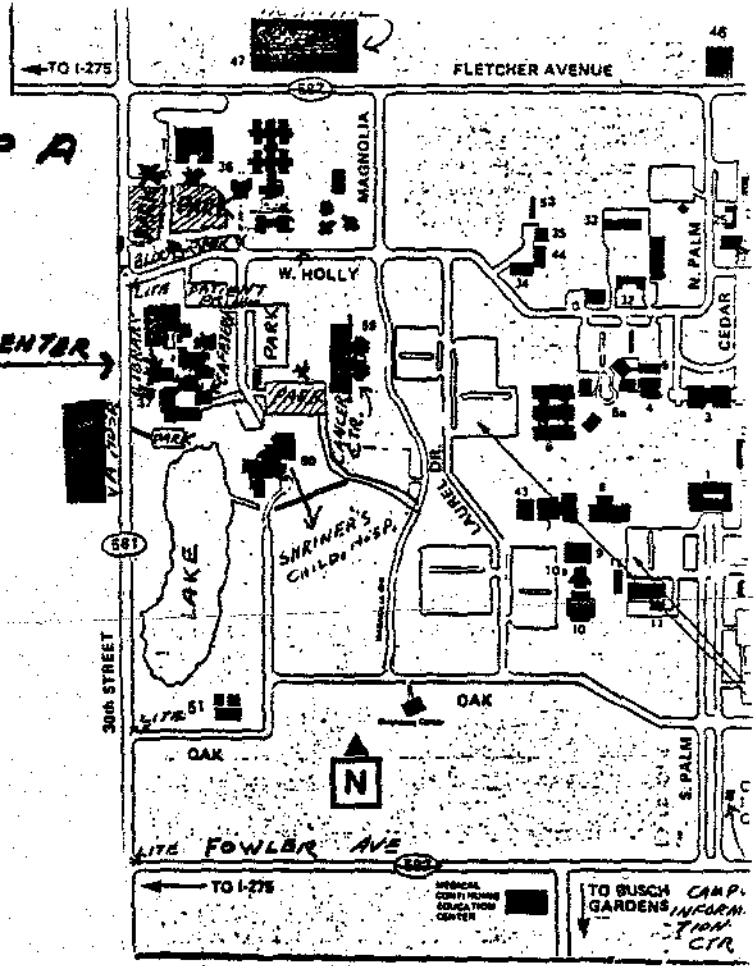

MAPS A & B

(4) Once you have found a parking place (Congratulation!) in one of the above lots, follow the **** to the Dean's Dining Room (or Phase II of the Cafeteria should the luncheon attendees number more than 25).

OCLC FOR SPECIAL LIBRARIES

The Associate User is a new category developed by SOLINET to meet the needs of the smaller libraries who wish to use OCLC services. These services include custom catalog cards, materials location, and an ILL sub-system among others.

The Associate User is not a member of SOLINET and does not participate in its governance, but can access any OCLC services, and must perform its cataloging on the OCLC system. It can use any available SOLINET services, but only by paying non-member charges.

CRITERIA FOR ASSOCIATE USER STATUS

1. Library not current member of SOLINET.
2. Materials acquisitions budget less than \$165,000.

CONDITIONS OF ASSOCIATE USER CATEGORY

1. Initial fee of \$500.
2. SOLINET profile time at \$25 per hour in addition to OCLC profile time at \$37 per hour.
3. One or two people must attend training sessions at SOLINET (Atlanta) at cost of \$100 per person for two day session.
4. Annual fees of \$500.
5. If library orders an OCLC terminal, pays SOLINET surcharge of 4%.
6. Library does not have vote at annual meeting.
7. If library wishes to change its status to that of full member, pays one-time fee of \$1000.

COST BREAKDOWN FOR ASSOCIATE USERS

ONE-TIME CHARGES

1. Membership Fee	\$500
2. Card Profile	\$ 62
3. Training Session	\$100
4. Modem Purchase	
5. Printer Purchase	
6. Dial up equipment and program to access OCLC	

ANNUAL CHARGES

1. Annual Dues	\$300
2. Authorization for Dial Access	\$200
3. Tymnet or Telenet Password	\$48 for subscription fee

ADDITIONAL ADVANTAGES FOR ASSOCIATE USERS

By paying a \$200 yearly fee, and providing a guarantee of 48 hours of use yearly, associate users are entitled to *****an \$8 per hour discount on Dialog base connect time. If no guarantee is provided, the discount is \$3 per hour. For BRS the discount is \$16 with a guarantee of 36 hours per year and \$25 per hour with no guarantee. Note that BRS royalty fees are not subject to discount.

Further inquiries about associate user status may be directed to:

Jan Butsch
Southeastern Library Network, Inc.
1201 Peachtree Street N.E.
Atlanta, GA 30361
404-892-0943

READ ON!! IT COULD BE COST-EFFECTIVE FOR YOU

what is OCLC?? OCLC (Online Computer Library Center) has been around since 1967 and is located in Dublin, Ohio. OCLC has designed and operates a bibliographic computer and telecommunications system that supports resource sharing among libraries.

Through the OCLC Online System, libraries CATALOG books, serials, and other library materials; order CUSTOM-PRINTED CATALOG CARDS; CREATE MACHINE-READABLE DATA FILES; maintain location information on library materials; facilitate INTERLIBRARY LENDING; and place and control ACQUISITIONS orders. The system can also provide bibliographic and LOCATION INFORMATION to participating libraries. Michelle's handout (following page) has more details.

JAIME HASTREITER prepared the following C/E calendar for us

CALENDAR

MAY 1986

- May 5-6 Legal Bibliography Workshop, Wisconsin Centre, Madison, Wisconsin
Sponsored by the University of Wisconsin \$115.
- May 6-8 National Online Meeting, Sheraton Centre, New York, New York
Contact Thomas Hogan 609-654-6266
- May 12-13 Enhanced Applications of Lotus 1-2-3 (\$495) } Tampa Airport Marriott
May 15-16 Enhanced Applications of dBase III (\$495) } Contact: 305-583-5500
If you attend both meetings:
the cost is \$792.50
- May 16-22 Medical Library Association Conference, Minneapolis, Minn.
- May 22-23 Critical Decisions in Implementing Online Search Services, Minneapolis,
Minn. \$215 for ALA Members, \$240 for non-members. Contact: A. Hansen
312-944-6780 ex. 316

JUNE 1986

- June 7-12 Special Libraries Association Annual Conference, Boston
- June 28-
July 3 American Library Association, New York, New York

JULY 1986

- July 7-10 American Association of Law Libraries Annual Conference. Washington, DC.

HURRAH!! THE SUNCOAST INFORMATION SPECIALISTS SHALL PREVAIL!!!!

WE HAVE A SLATE OF OFFICERS

THANKS TO THE EFFORTS OF OUR NOMINATING COMMITTEE. HEADED BY JO ANN TIBBS (UNIVERSITY COMMUNITY HOSPITAL), THE COMMITTEE'S MEMBERS WERE CAROLYN BASS (TAMPA ELECTRIC) AND JAIME HASTREITER (ECKERD COLLEGE). THEY PRESENT US WITH THE FOLLOWING SLATE OF OFFICERS.

- FOR PRESIDENT: DOUG CORNWELL
FLORIDA POWER, ST. PETERSBURG
- FOR VICE PRESIDENT/
PRESIDENT ELECT: DENNIS VECSEY
CRITIKON, TAMPA
- FOR VICE PRESIDENT/
PRESIDENT ELECT: GWEN WALTERS
UNIVERSITY COMMUNITY HOSPITAL, TAMPA
- FOR SECRETARY: KIT BOONE
IDEA MATRIX, DUNEDIN
- FOR TREASURER: BETSY KING
REFLECTONE, TAMPA

MANY THANKS TO OUR NOMINATING COMMITTEE AND TO THE WONDERFUL PEOPLE WHO HAVE AGREED TO RUN FOR OFFICE.

 NOMINATIONS WILL BE TAKEN FROM THE FLOOR AND

 ELECTIONS WILL BE HELD AT OUR JUNE MEETING SO BE THERE!!

ALSO AT OUR NEXT MEETING WE WILL HAVE FOR YOUR FREE\$\$ OF CHARGE

A DIRECTORY OF SUNCOAST INFORMATION SPECIALIST LIBRARIES
(thanks to your cooperation and BETSY KING'S efforts)

A SUNCOAST INFORMATION SPECIALIST MEMBERSHIP LIST
(thanks again! to BETSY KING)

THE SUNCOAST INFORMATION SPECIALIST BYLAWS

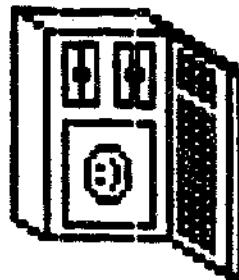

GREAT IDEAS

AT OUR LAST MEETING MICHELLE KIEWIT (UNIVERSITY OF SOUTH FLORIDA LIBRARY) GAVE A BRIEF PRESENTATION ON OCLC. MANY OTHER TOPICS WERE ALSO COVERED AT THIS MEETING. TO BE SURE THAT EVERYONE IS AT LEAST AWARE OF OCLC AND WHAT IT HAS TO OFFER SPECIAL LIBRARIES, WE PRESENT THE FOLLOWING SYNOPSIS OF THE SYSTEM. MICHELLE'S HANDOUT ON OCLC FOR SPECIAL LIBRARIES FOLLOWS.

This is the first newsletter to be released by the Suncoast Information Specialists. It will not be numbered until January 1987 so that we can evaluate the format, begin the numbering with the first month of the year and also to see what the reaction of the group will be. I was given the job as editor and I hope to fill the pages of this newsletter with informative, chatty, and up-to-date material. I have decided not to name the newsletter but to wait for the group's input.

We were fortunate to have Tim Pasden offer to do our first feature article, "Techy Tips". In the future, if you would like contribute to the newsletter please contact me or any one of the board members.

The major purpose of the newsletter is to announce the program information for the upcoming meeting. A list of continuing education classes, workshops, seminars etc. will also be featured.

At the last meeting of SIS held in August 1986 there was a discussion of membership fees. A fee of \$5 was suggested and a vote will be taken at the meeting in October. The bylaws state that an "assessment of dues may be established by a majority vote of a quorum. If dues are assessed, they will be due before the first day of the official year in order to maintain membership". Please attend October's meeting so that you can voice your opinion on this issue.

Another source of discussion was whether we should charge to provide our mailing labels to those groups, vendors etc. that request them, and if so at what price. As well, those who do not want their names on the list can have them deleted.

Thanks to all those who helped me with this first edition. I look forward to seeing everyone at the October meeting.

Carolyn

Suncoast Information Specialists Program

DATE : October 6, 1986

TIME: 11:30 a.m.

LOCATION: University Community Hospital
Canelot Room
3100 E. Fletcher Avenue
Tampa, Fl. 33613

PROGRAM: ⁹⁷²⁻⁷²³⁶ Dialog Mapping
Presented by Tim Pasden
GTE Data Services, Inc.

COST: \$5.00 per person

CONTACT: Gwen Walters
Medical Library
University Community Hospital
3100 E. Fletcher Ave
Tampa, Fl. 33613

Please return the reservation form and your check to Gwen Walters by September 29, 1986. Make check payable to Suncoast Information Specialists.

TECHY TIPS

by Tim Pasden

Using the MAP command can be easy. The format is quickly learned: just MAPfn (TEMP) S(et)#. That 'fn' is field name. The Set number is the set in which the desired information appears. If Set 12 or S12 had reports that were of interest to you, enter MAPRN TEMP S12 and the Report Numbers appearing in set 12 will be MAPPED.

File 545:INVESTEXT - 82-86/Aug 21
(Copr. Business Research Corp 1986)

```
S12      106  SYSTEMEWARES
?MAPRN TEMP S12
3 select statement(s)
serial#TA063
```

Three select statements were generated. There is a limit of 240 characters in each statement. The system will generate as many statements as are needed. The limit on the number of select statements in each SAVED strategy is 50. Be selective in your MAP statement to avoid an overflow problem.

```
?SS S1/CONTENTS
  S8      10  S1/CONTENTS
?SS S8 * IS-DATAPR
      10  S8
  S9     3363 IS-DATAPR
  S10     2  S8 * IS-DATAPR
?MAPRN TEMP S10
1 select statement(s)
serial#TA062
```

What's with the "TEMP"? Another good question. The MAP command invokes the SAVE command. The rules for using 'TEMP' with the SAVE command also apply here. (See TN-2: The Search Save Feature. Maybe another TT topic?) "MAPfn TEMP S#" will temporarily save it for you, avoiding running up your bill needlessly because you forgot to RELEASE them later.

Once you have MAPPED the needed information, you

can move into another data base (that uses the same "fn" that you MAPPED) and EXECUTE SEARCH (EXS):

```
?EXS TA062
      6  RN=404796
      6  RN=407246
  S1    12  RN=404796 + RN=407246

?SS S1/CONTENTS
  S2      2  S1/CONTENTS
```

Now, what if it were 120 report number matches? Can you imagine reentering all those report numbers one at a time using the keyboard? What a savings in time, both yours and CPU time. As you can see, once you have them, you can then get selective on what is found.

Not all 'fn's are MAPPABLE. See the Tech Notes (page TN6-2) and to find out. Easier than that: try it! If the field is MAPPABLE, it will work.

File 16:PRONT - 72-86/Aug, Week 4
(Copr. Predicasts Inc. 1986)

```
?EXS SATIPS <----(Previously created; a future
Techy Tip topic.)
  S1      248  PC=3573006.
  S2      873  PC=357307
  S3      732  PC=357308
  S4       32  PC=3573092
  S5     1877  PC=(3573006 + 357307 + 357308
+ 3573092)
?MAPPC TEMP S5
>>>Invalid prefix
```

Obviously, the PC (Product Code) is not a MAPPABLE field name. Currently, there are only 21 MAPPABLE fields. With encouragement, Dialog might increase that number.

The MAP command will be the topic of discussion at our next meeting (see Calendar). We can discuss this in more detail and there I will try to answer questions that you might have. B C N U?

TREASURER: Betsy King
Reflectone
Tampa

NEWS

Betsy King has submitted two salary survey notifications.

1. Professional and Scientific Personnel Report. Executive Compensation Service, Inc. Two Executive Drive, Fort Lee, N.J. 07024.

Lists 3 positions levels for "Technical Librarian", each broken down into 6 regions in the U.S. The 1985/86 survey reported on 40 companies in the Southeast U.S. region (which does not include Washington, D.C. area). This survey was formerly the American Management Association report. Annual.

2. Employers Association of Florida. Annual Wage and Salary Survey. Lists "Librarian", broken into 4 regions in Fl. (East, West, South, North). The 1985 survey reported on 5 companies in the West region with a total of 15 companies in Fl. Annual.

For further information on these two surveys contact Betsy King at Reflectone, Tampa.

Vici Hopkins has several free items to offer.

1. Texas Instrument's Improving Man's Effectiveness Through Electronics. Model 990 Computer TMS9900 Microprocessor Assembly Language Programmer's Guide. 4 copies
2. Electronic Design's Gold Book 85-86 ed. 2 extra sets.

Contact Vici at Honeywell, Clearwater 539-3256.

UPCOMING EVENTS

SEPTEMBER

Sept 26-Oct 4: ASIS 86, 49th Annual meeting. Chicago, Il.

OCTOBER

Oct 14-18: Southeastern Library Assoc. (SELA), Atlanta, Georgia. Theme "Libraries: Vital Information, Lifelines". Contact Gail Lazenby at 404/423-2334.

Oct 14: How to Make Personal Dynamics work for you. Registration \$55-\$65 preconference (SELA). Contact Scott Muir. 404/526-6854.

Oct 23: Workshop: Professionalism makes the Difference. West Coast Library Consortium. USF/Sarasota Campus. Contact Philip Place. Manatee County Library, 1301 Barcarota Blvd. Bradenton, Fl 33505 813/748-5555

NOVEMBER

Nov 4-6: Online 86. Laserdiscs. Impact of CDROMs and Digital Videodisks. Chicago, Il.

LOOKING AHEAD

Jan 26-30: SLA Winter Meeting. Pittsburgh.

Feb 13: CD/ROM Orlando, Fl.

ADDITIONAL ANNOUNCEMENTS WILL BE PRESENTED AT OUR OCTOBER MEETING

SUNCOAST INFORMATION SPECIALISTS NEWSLETTER - NOVEMBER 1986

Welcome,

This is the second newsletter to be released by the Suncoast Information Specialists. Beginning in 1987, the newsletter will be numbered and named. The format of the first issue proved to be cumbersome and difficult to photocopy. Our sincere thanks go to Patty Owen and Shirley Chandler from Jim Walter Research in St. Petersburg who struggled, against some difficult odds, to send out the first issue. Most new publications have difficulty in getting off the ground and this one is no exception. Hopefully, time and external events will work for, not against us.

We are also grateful to Tim Pasden for doing our feature article, "Techy Tips". We plan to have more interesting and educational articles in the future. If you would like to contribute an idea, an article or a criticism (few of the latter, please) please contact me or any of the board members. As well, we hope to include a listing of job opportunities in the area so if you hear of an opening, please let us know.

At the last meeting of SIS held in September at University Community Hospital, Tim Pasden discussed Mapping Techniques. We thank him for doing an excellent presentation and also would like to thank Gwen Walters and JoAnn Tibbs for providing us with a delicious and complimentary lunch. Betsy King, the treasurer of the SIS group, discussed the implementation of a dues policy. For those of you who may not have read last month's newsletter, the bylaws state that an "assessment of dues may be established by a majority vote of a quorum. If dues are assessed, they will be due before the first day of the official year in order to maintain membership." Betsy has included in this newsletter a discussion of the dues, the amount voted on by members of the SIS group who were present at the September meeting, and the payment schedule.

Thanks to all those who helped me with this second edition of the newsletter. I look forward to seeing everyone at the November meeting. As we will not meet again until January 1987, I would like to wish all of the members of the Suncoast Information Specialists a very special Thanksgiving, a merry Christmas, a happy Chanukah, and a very healthy and joyous New Year.

Carolyn

Suncoast Information Specialists Program

DATE : December 1, 1986

TIME: 1:30 - 4:30

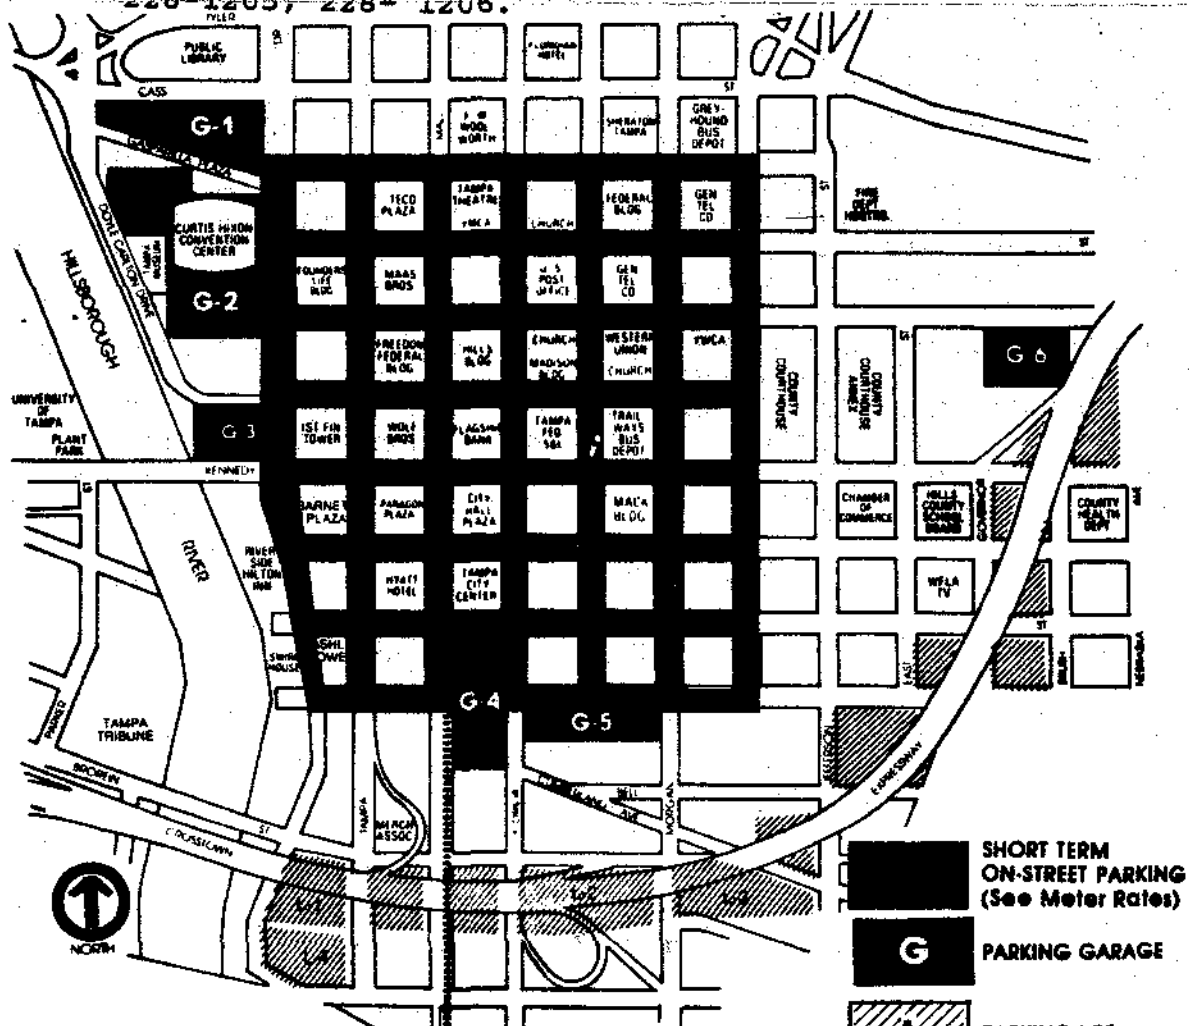

LOCATION: Tampa Electric Company
Teco Hall (lobby level)
702 N. Franklin St.
Tampa, Fl. 33602
Parking available in commercial lots in the downtown area. map of available lots is enclosed.

PROGRAM: Dialog Sampler
Presented by DIALOG
Program consists of new features of Dialog 2 that have been implemented since December 1985.

COST: free

CONTACT: Dialog 1- 800-3-DIALOG

LUNCH: Those who would like to eat downtown prior to the meeting can contact Pat Boody or Carolyn Bass to find out the names of some restaurants downtown.
228-1205; 228- 1206.

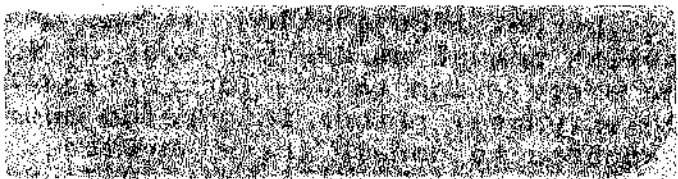

DUES

At the October 6, 1986 meeting, it was unanimously voted to establish annual membership dues of \$5.00. This will allow the association to pay for postage, supplies, and other possible expenses, rather than being completely dependent on members to donate these services. Dues will apply to the October 1986 to September 1987 official SIS year.

The SIS mailing list will be based on paid memberships. After January 31, 1987 those not paying 1986-87 dues will have their names removed from the current SIS mailing list. To remain a member of SIS, please mail your payment and the attached membership form to: Betsy King, Reflectone, Inc., Engineering Library, 5125 Tampa West Blvd., Tampa FL 33634

Make checks payable to: Suncoast Information Specialists.
